

Frequently Asked

Birthday Parties

How many people can we bring?

Each party includes up to 30 participants. It is \$10 per participant after 30. A participant is anyone who will be playing on the equipment/inflatables. Those who are NOT participating on the equipment are not counted toward the total participant number. There is not a limit to non participants, but there is limited seating. Please contact us if your event is over 100 people.

What is the cost?

Our parties are \$299 each. Parties include 6 commercial inflatables, an indoor playground, trampolines, a toddler play area and more! We have 3 large picnic tables for guests, and a large table for cake/gifts. There are also some small picnic tables for the kids.

When are parties available?

Our parties are Friday evenings and Saturdays. Parties are booked in 2 hour time slots. You can find all available dates/times on our website. Parties book quickly so we typically recommend booking 4-6 weeks out to get your preferred date and time.

How early can I arrive to the party to set up?

You are welcome to arrive 15 minutes before your party start time to set up any decorations, food or drinks. Please do not arrive any earlier than 15 minutes as we will likely be cleaning and sanitizing from the previous party.

Can I bring food and drinks?

Yes, we welcome outside food, drinks and desserts for your party! We only ask that you do not bring open pour cups. We have a fridge and freezer available if you need one, just ask the staff for assistance! We do not allow alcohol on premises.

Is there an age limit on the party guest?

We recommend ages 1-10 to get the maximum age appropriate benefit of the party!

Can adults play on the equipment?

Both adults and children are welcome on the inflatables and equipment! Each inflatable may have 5 children or 2 adults at once. These are commercial grade inflatables but do have a weight limit.

Do we share the space with other parties?

Each of our parties are private to your party only. This means you can let the kids run free without the worry of anyone else being there besides your guests.

What if I have to cancel my party?

If for any reason you need to cancel your party, we will offer a rescheduling option for a later date. You can also receive a credit for use on other Top-Flight classes, programs, or items. We do not offer refunds on party bookings unless it is an extreme or rare circumstance and Top-Flight needs to cancel the party.

How do I book a party?

All parties are booked online through our portal. You will be able to create an account, choose your party date & time and submit payment all at once! Once payment has been submitted the party is reserved!
