

Frequently Asked Birthday Party Questions

1. How much are parties?

Our parties are \$299 each. Please see the middle of the Birthday Party page on the website to find out what each party will include!

2. What do you mean by “participant”?

A participant is anyone who will be playing on the equipment/inflatables. If someone will only be sitting or standing by the picnic tables they are not counted toward the total participant number.

3. Can adults play on the equipment?

Both adults and children are welcome on the inflatables and equipment! Each inflatable may have 5 children or 2 adults at once. These are commercial grade inflatables but do have a weight limit.

4. Can I bring food and drinks?

Yes, we welcome outside food, drinks and desserts for your party! We have a fridge and freezer available if you need one—just ask the staff for assistance!

5. How early can I arrive to the party to set up?

You are welcome to arrive 15 minutes before your party time to set up any decorations, food or drinks. Please do not arrive any earlier than 15 minutes as we will be cleaning up and sanitizing from the previous party.

6. Will the participants need to fill out a waiver?

Yes! Anyone playing on the equipment/inflatables will need to fill out a waiver.

However, they are done electronically and we **highly suggest** filling one out before the party. There are two ways to do it:

1. Text the word “waiver” to 77948 and a link will populate on your phone. After receiving the link, click and follow the instructions.
2. Use the following link: <https://www.top-flightathletics.com/participation-waiver>

7. How do I book a party?

All parties are booked online through our portal. You will be able to create an account, choose your party date, time and package and submit payment all at once! Once payment has been submitted the party is reserved!
