

Frequently Asked Birthday Party Questions

1. What do you mean by “attendee”?

An attendee is anyone who will be playing on the equipment/inflatables. If someone will only be sitting or standing by the picnic tables and not using the equipment/inflatables then they are not counted towards your total attendee number.

2. Can I bring food and drinks?

Yes, we welcome outside food, drinks and desserts for your party! We have a fridge and freezer available if you need one.

3. How early can I arrive to the party to set up?

You are welcome to arrive 15 minutes before your party time to set up any decorations, food or drinks.

4. Will the participants need to fill out a waiver?

Yes! Anyone playing on the equipment/inflatables will need to fill out a waiver. However, they are done electronically and we **highly suggest** filling one out before the party. There are two ways to do it:

1. Text the word “waiver” to 77948 and a link will populate on your phone.
2. Use the following link: <https://www.top-flightathletics.com/participation-waiver>

5. How do I book a party?

All parties are booked online through our portal. You will be able to create an account, choose your party date, time and package and submit payment all at once!
